Rules

USA Swimming Rules and Regulations will govern the conduct of these Games and will serve as the official guide for technical and procedural rules.

It shall be the swimmers' and coaches' responsibility to acquaint themselves with all of the information contained in this meet information book.

No swimmer will be issued a credential without a coach member present. If the home club coach is not planning to attend the event, the swimmer (s) must be assigned a supervising coach (per USA Swimming rule 202.3.2). Arriving with fellow LSC club/coach is preferred. However, if a swimmer arrives without a coach, the Meet Director will arrange for a coach to serve this role. Please inform the Meet Director prior to the meet if a coach must be found.

“Any swimmer entered in the meet, unaccompanied by a USA Swimming member coach, must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. It is the responsibility of the swimmer or the swimmer’s legal guardian to ensure compliance with this requirement.”

The use of any audio or visual recording device is not allowed in changing areas, restrooms, or locker rooms. They are banned from behind the blocks during the entire meet, including warm-up, competition and cool-down periods.
